A NEW CHAPTER IN LAKEVIEW LIVING

FORTUNE WATER FRONT

3 BHK APARTMENTS

KUKATPALLY - HITECH CITY

A New Chapter in Lakeview Living

Today's highest expression of the cosmopolitan lifestyle demands an intricate balance of space and nature, beauty and convenience, privacy and ambience. It's a demanding standard of living, which a 'regular' home alone cannot deliver.

This is where Sri Sreenivasa's Fortune Waterfront excels.

Giving you a sense of tranquillity and inspiration with lake facing apartments in one of Hyderabad's most exciting neighbourhoods, Kukatpally, Fortune Waterfront lets you embrace un-paralleled luxury along with the panoramic views of IDL Lake.

Come Home to a Lakeside Haven

Welcome to Fortune Waterfront- A world of sheer magnificence, unmatched views and boundless happiness. With two 22 storeyed towers standing tall at Kukatpally, Waterfront is the perfect example of lakeview living, beauty with serenity and design with aesthetics.

Discover the Charm of Waterfront Homes

Come home to beautifully designed spaces curated for you. Twin towers raising to 22 floors, with a dedicated club, are designed using world-class aesthetics and sustainable principles to serve the present and future aspirations.

PROJECT HIGHLIGHTS

A lake facing premium apartments gated community in the heart of the city

A premium project with spacious format flats in the midst of metropolitan city of Hyderabad.

Every apartment comes with an exclusive private lobby

Low Density Project with lesser apartments and more open spaces

Physically challenged access to all public areas.

Compactness, sustainable principles adopted in design, material selection, and maintenance aspect concerns considered while designing contribute to the overall concept of wellbeing, and lifestyle setting.

Hierarchical importance wise treatment to all drop off points to suit the volumetric spaces of the entry lobby ambience.

Site context, socio-cultural and climatic context and lifestyle demands are kept in mind while designing the master plan as well as the individual living units.

All apartments are designed following vastu principles

Specialty gardens and components like grand walk, pet park, Zen Garden amphitheater etc., have been created for different age groups and for different times of the day.

Micro and macro event lawns created for different types of groups without any clash.

Fitness stations, children play spaces etc. spaces to cater to all age groups.

Spatial distribution of active and passive recreation areas is done logically to serve all age groups and in different times of the day.

Entry and drop off areas are treated specially to signify the experience.

Exclusive clubhouse adds to the premiumness of design with ultra-modern facilities and amenities.

Connected outdoor landscape spaces of club perform dual role of function and aesthetics.

Dedicated walking track imparts the sense of well-being.

Socializing spaces like Pods, gazebos, pergolas, contribute to the socializing concept and builds a coherent society.

Standout Attributes

Private Lobbies | Ventilation on All 4 Sides | Less Density more spacious | Lakeview | 73.5% Open Space

Architecture - Key Features

Project is coming up opposite IDL Lake, guaranteeing that your stunning balcony views will remain unobstructed by any other developments.

Twin towers raising to 22 floors, having volumetric entry lobbies with a non-vehicular zone in the middle completes the master plan with a dedicated club in the northeast overlooking the lake beyond.

Each tower consists of 6 spacious flats having maximum surface area exposed to provide ample light, ventilation, and views.

Vaastu compliant spacious rooms are designed to establish required setting for desired interiors, serving present and future aspirations.

Private Lobbies for all apartments to ensure there is no trespassing and increasing individual flat privacy.

Clubhouse is positioned in five floors with sufficient facilities and amenities to cater to the expected populations.
